ARTICLE 5
FINAL PROVISIONS

1. The present Agreement is based on the "Framework Agreement for Negotiations and Confidence Building Measures between Belize and Guatemala," signed on 7th September 2005, that has as an objective the maintenance and deepening of friendly bilateral relations until the Territorial, Insular and Maritime Dispute is permanently resolved.
2. This Agreement is also based on the Road Map for the Strengthening of the Bilateral Relations signed in Washington, D.C. United States of America on 24th January 2014 by the Ministers of Foreign Affairs of the Parties, in which it was agreed to develop a programme of activities for the strengthening of the bilateral relations.
3. The present instrument shall not constitute a total or partial waiver of sovereignty over any territory (land, insular and maritime) claimed by either Party; nor shall any rights of either Party to such territory be prejudiced; nor shall any precedent be established for the strengthening or weakening of either Party's claims to any such territory. Each Party expressly reserves its rights with respect to its claims of sovereignty over any territory (land, insular or maritime).
4. The Parties agree that neither Party will use against the other, in any forum in which their territorial differendum may be addressed in the future, the fact that either of the Parties has accepted, agreed to, complied with or implemented any of the confidence building measures included herein.
5. Any dispute arising from the interpretation or application of this Agreement shall be resolved amicably through diplomatic channels.
6. This Agreement will enter into force on the date when both sides have received notification via diplomatic note that their respective legal requirements have been met.
7. The present Agreement will have a duration of ten (10) years and will be automatically extended for equal periods, unless any of the Parties, through written communication via diplomatic channels, revokes it, and the termination will be effective one (1) year after the respective notification.
