Excellency:

I have the honor to address Your Excellency regarding the composition of the Group of Friends of the Belize-Guatemala Transition Process.

The governments of both Belize and Guatemala have accepted the list of countries proposed by the General Secretariat in its letter to each government dated May 30, 2003. Unfortunately, however, in the copy of the letter sent to Your Excellency's government, the Secretariat inadvertently omitted Sweden from the list of countries proposed. Sweden was included in the list sent to the Guatemalan Government.

The Government of Sweden is a significant financial contributor to and supporter of the Belize-Guatemala process. For the reasons explained above, I hope that your government will accept the inclusion of Sweden in the Group of Friends.

Please accept, Excellency, the renewed assurances of my highest consideration.
