---

Doc 21  
January 19, 2022

**Considering that:**

In accordance with Articles 26.1 and 29.1 of the Rules of Procedure, the Inter-American Commission on Human Rights (IACHR) delegates to its Executive Secretariat the responsibility for the initial study and processing of individual petitions.

Emphasizing, that in accordance with Article 27 of the Rules of Procedure, the IACHR will only take into consideration to advance to the subsequent procedural stages those petitions that meet the requirements set forth in the American Convention, its Statute and Rules of Procedure.

Likewise, that Article 42 of the Rules of Procedure, regarding the Archiving of Petitions and Cases, provides that:

1. At any time during the proceedings, the Commission may decide to archive the file when it verifies that the grounds for the petition or case do not exist or subsist. The Commission may also decide to archive the case when:
  - a. the information necessary for the adoption of a decision is unavailable, despite attempts to secure such information; or
  - b. the unjustified procedural inactivity of the petitioner constitutes a serious indication of lack of interest in the processing of petition.
2. Before considering the archiving of a petition or case, it shall request that the petitioners submit the necessary information and notify the possibility of a decision to archive. Once the time limit specified for that purpose has expired, the Commission shall proceed to adopt the corresponding decision.
3. The decision to archive shall be final, except in the following cases:
  - a. material error;
  - b. supervening facts;
  - c. new information that would have affected the decision of the Commission; or
  - d. fraud

The IACtHR Strategic Plan 2017-2021 established as a priority the adoption of measures to address procedural delay; as part of the execution of the aforementioned strategic plan and its efforts to expedite and improve the processing of petitions in the initial study or initial review, it carried out during 2021 a comprehensive study of all those petitions in said procedural stage with a procedural inactivity of the petitioning party of more than three years, and that had been accumulated over decades.

In this review exercise, a total of 3,357 petitions were identified in which this inactivity, after being examined by the IACtHR, lasted from three to more than ten years.

The Inter-American Commission on Human Rights resolves that:

## **First**

In the case of all those petitions listed in the annex to this Resolution, the Commission understands that there is an "unjustified procedural inactivity of the petitioner" constituting a "serious indication of lack of interest in the processing of petition", in the terms of Article 42.1.b) of the IACtHR Rules of Procedure.

## **Second**

By the publication of the present Resolution, the Commission considers that the respective petitioners have been notified of the possibility of filing the petitions listed in the annex to this Resolution, based on Article 42.2 of the Rules of Procedure.

## **Third**

If no response is received from the respective petitioners in the sense of replying to the questions posed by the IACtHR, within two months from the date of publication of this Resolution, the Commission will consider the term expired and will proceed to adopt the corresponding filing decision, in the terms of Article 42.2 of its Rules of Procedure.
