

# Haitian Drug Information Network (SHID)

Recent Activities

# STATUS OF THE DIN

- SHID is active. The Network has 8 regular member. The Observatory keep regular meeting With them. The are:
  - CICC (Information and Joint Coordination Center)
  - Hospital of Beudet (Psychiatric Hospital)
  - Caritas Saint Antoine
  - Mars and Kline
  - Directorate of Pharmacy, Medications, and traditional Medicine (DPM/ MT)
  - Public Prosecutor's Department of Port-au-Prince
  - APAAC
  - BLTS (Narcotics Unit Police)
- The Network also invite other institution who are involve in the fight against drugs

## Recent Activities and Meeting

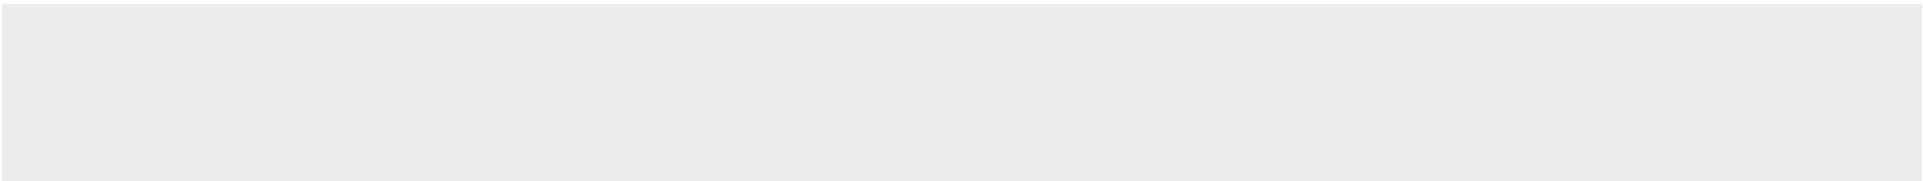

- The observatory did a qualitative interview with a key informant on drug abuse in the Country. This key Informant is the responsible of an NGO, called HEDO-HAITI (Haitian Educational and Development Organization).
- The Report of Drug situation in 2011 is being reviewed and will be publish in the next meeting of the SHID, planned and June
- No meetings for debating on drug problem has been held for now. The year meeting will take place June 19<sup>th</sup> and 20<sup>th</sup> .

## Recent Activities and Meeting (cont'd)

- Meetings with institution (as APAAC, BLTS, and others...) for data collection were done this year.
- The observatory also participate on mission of the INCB (International Narcotics Control Board) in Haiti which aimed to assess the implementation of the three Conventions Drugs of the United Nations.
- The Observatory also, with the assistance of CICAD has started a survey in schools on drug consumption, but it has been postponed to assure success of the project.
- Finally, the observatory is involve, with the Demand Reduction in a starting project initiate by CADCA (American Anti Drug Coalition Community), which consist of prevention program based on community level

## DATA TRENDS

- With respect to the findings of the qualitative survey with HEDO-HAITI, data claimed that amphetamine is used a lot in some region of the country, mostly in poor residential area or region outside of port-au-prince. The results also indicate that other drugs such as MDMA (Ecstasy), benzodiazepine and methamphetamine are frequently used in the country.
- 

# DATA TRENDS (Cont'd)

- Data collected in medical institution (as APAAC, Hospital of Beudet or Mars and Kline) shows that in 2012, people were here mostly for marijuana problem, followed by alcohol and cocaine. Some case of amphetamin abuser are also found.

Tableau 7. Nombre de consommateurs par substances consommées

Année	Marijuana	Cocaïne	Alcool	Marijuana & Cocaïne	Marijuana & Alcool	Marijuana, cocaïne & Alcool	Cocaïne & Alcool	Autres (à préciser)
2002	83	2	83	2	83	2	2	-
2003	108	6	122	114	122	6	6	2 (Crack)

## Recent Publications

- In terms of dissemination and publication, OHD has produced the raw material for the output of the ninth edition of "DyALog Dwog." Several other documents have been prepared and are ready to be printed. Also in terms of dissemination of information, OHD has developed a project to modernize the website CONALD. In addition, the OHD built a blog ([www.conald-haiti.blogspot.com](http://www.conald-haiti.blogspot.com)) regularly to share the latest information and the progress made by the CONALD in the fight against drugs.

## Le Système Haïtien d'Informations sur les Drogues (SHID) : un modèle à suivre en Amérique Centrale et dans la Caraïbe

Du 1<sup>er</sup> au 3 mai 2013 s'est tenue à Fort-Lauderdale, Miami, une réunion entre les coordonnateurs de réseaux nationaux d'informations sur les drogues de l'Amérique Centrale. Organisée par la Commission Interaméricaine Contre l'Abus des Drogues de l'Organisation des Etats Américains (CICAD/OEA), cette rencontre a eu lieu dans l'objectif de sensibiliser et d'encourager les pays à travailler afin de rendre opérationnels leurs réseaux d'informations sur les drogues. A cette réunion, Haïti était invitée à venir partager son expérience avec les pays de l'Amérique Centrale en ce qui concerne la mise en œuvre de son système d'information sur les drogues dénommé SHID : Système Haïtien d'Informations sur les Drogues.

# FUTURE PLANS

- Regular data collection
  - Implementation of School survey on drugs (with CICAD sponsorship)
  - Publishing the report on drugs 2011
  - Mid term Evaluation of the National Strategy
  - Meeting on 19<sup>th</sup> and 20<sup>th</sup> of June
  - Participate in the MEM
