Universal Treatment Curricula

Universal Prevention Curricula

Adaptation and Translation of Manuals

Universal Curricula Series: What's new?

- Regularly reviewed and updated by the Treatment Expert Advisory Group (TEAG)
 - End of 2020: UTC Basic 2, 6, 7, 8
 - February 2021: UTC Basic 1 & 5
 - March 2021: UTC Basic 3, 4
- Conversion to virtual training
 - Instructor-led
 - Self-guided

Self-guided UTC

PRETREATMENT

Menu Exit

Knowledge Check

True or False?

Outreach should not focus on the full range of people who use substances. Instead, it should only focus on the most visible populations.

True False

SUBMIT

PRETREATMENT

Menu Exit

Knowledge Check

Correct!

This statement is **false!** Detoxification can happen in a variety of ways. While some people may manage detoxification on their own, others benefit from or must have additional support or monitoring through the detoxification process.

Learning Objectives

By the end of Module 6, you will be able to:

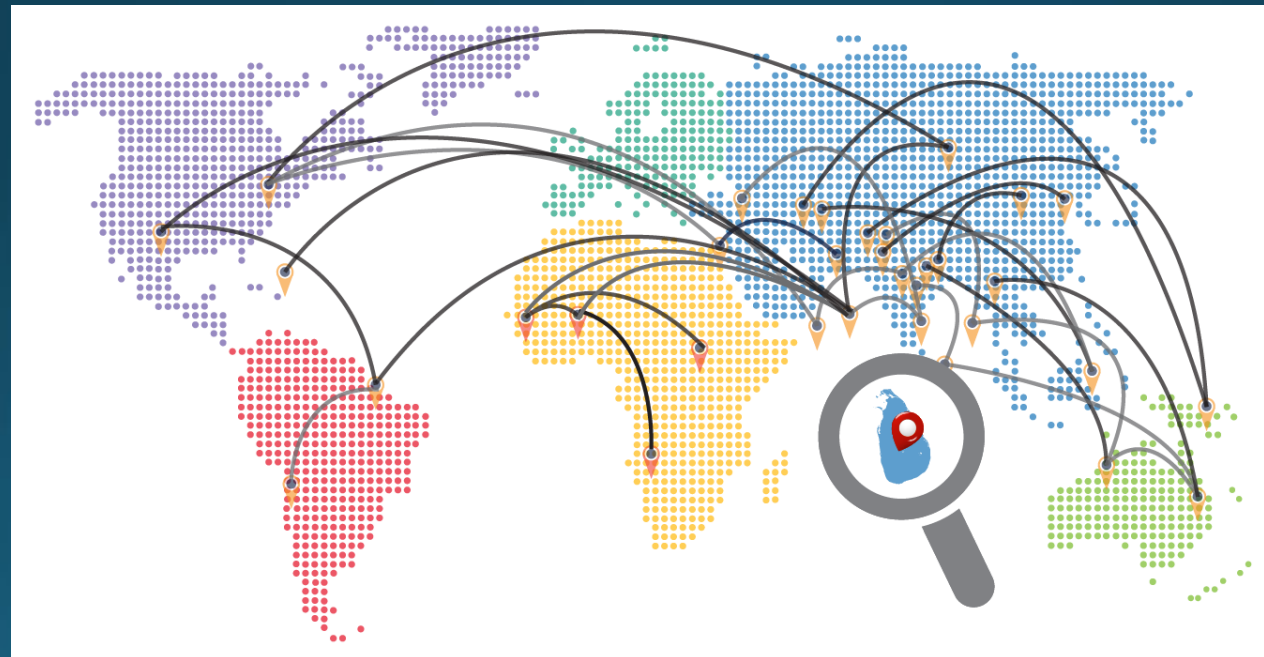

1. Provide a general description of an effective continuum of care for substance use disorders (SUDs).
2. Identify differences between screening and assessment.
3. Describe detoxification options.
4. Define case management.

DRUG ADVISORY PROGRAMME

Pioneering Demand & Supply Reduction Since 1973

**XXI MEETING OF THE GROUP OF EXPERTS
ON DEMAND REDUCTION
Inter-American Drug Abuse Control Commission (CICAD)
November 25 – 2020**

**"Current status of the training process
based on universal curricula (UC): implementation route"**

Field Office-Chile

2020 Pre COVID Planning

1. Materials preparation:

- Translations: UTC Advanced Series 17-22
- Technical revisions and redesign adjustments: UTC Advanced Series 9-16, UTC Advanced Series 17-22, UPC Implementers.
- Redesign Settings: UPC Coordinator Series.
- Curricula update: UTC Basic Series 1-8.
- UPC credentialing and exam. (preparation)

1. UPC dissemination:

- TOT Regional UPC Manager and Supervisor (Coordinators)
- TOT Regional UPC Implementers.

2020 Pre COVID Planning

3. UTC dissemination

- TOT Regional UTC Basic (Guadalajara-Mexico, Uruguay, Chile, Panama, Ecuador, probable Costa Rica and Brazil).
- Advanced UTC Regional TOT (Bahamas).
- ATI (Chile and Probably Ecuador, Peru).
- UTC credentialing (Bahamas, Colombia, Peru, Argentina, Guadalajara - Mexico, Chile and Uruguay).
- UTC Basic 5-8 (Albania, Ukraine).

3. Development of new curricula:

- Masculinities
- Strategic actions to support the implementation of Drug Demand Reduction

Emergency Planning 2020 COVID 19

1. Materials preparation:

- TOT UPC Coordinators course design in remote mode.
- TOT UTC Basic course design in remote mode.
- Preparation of Trainers in remote mode.
- Translations: UTC Advanced Series 9-22 (finished), UPC Implementadores (finished), UPC Coordinators (finished)

It is decided to expedite the translation of the missing curricula this year and next:

UNODC Policymaker

Universal Recovery Curriculum (x 3 courses)

Women's Treatment Course (x 4 courses)

Prevention and Treatment for Rural Populations

Psychoeducation for Client and Families (Complement course 4 UTC Basic)

Mentoring Curriculum (x 8)

- Technical Reviews: UTC Advanced Series 9-16, UTC Advanced Series 17-22, UPC Implementers (completed).
- Minor Redesign adjustments: UTC Coordinator Series (completed), SOGI (completed).
- Curriculum update: UTC Basic Series 1-8 (TEAG)
- Design and pilot of new curricula: Masculinities and strategic actions to support the implementation of Drug Demand Reduction

Emergency Planning 2020 COVID19

2. UPC dissemination :

- TOT UPC Coordinators 1-9 Remote modality, Chile (SENDA and Universities).
- TOT Regional UPC Implementers Core, School , in partnership with CICAD.

3. UTC Dissemination:

- TOT UTC Basic 1-4 face-to-face modality, Chile (SENDA and Universities).
- TOT UTC Basic 5-8 Remote mode, Chile (SENDA and Universities).
- TOT UTC Basic 1-8 Remote mode, Panama (Health).
- TOT UTC Basic 1-8 Remote mode, Ecuador (Health).

4. Transformation of UPC and UTC courses to online mode

- International tender for course conversion.
- Transformation of UPC Coordinators Series, UTC Advanced and SOGI courses. UTC basic (updated 2020)

Planning 2021

1. UPC dissemination:

- TOT UPC Remote mode Coordinators (Senda-Chile phase 1 project).
- UPC Coordinators online modality (countries to be defined).
- UC Ecuador Project (INL).
- UC Colombia Project (INL).
- UC Chile project, echo training support and technical assistance (project phase 2 Senda-Chile).

2. UTC dissemination:

- TOT Regional UTC Basic Remote mode (countries to be defined)
- ATI decision makers (January in Chile and Probably Ecuador, Peru, and countries to be defined).
- UC Chiguagua-Mexico Project (INL).
- UC Colombia Project (INL).

3. Transformation of UPC and UTC courses to online mode

- Transformation of courses UPC Coordinators, UTC Basic, UTC advanced, SOGI and probably (WISE, Rural, Policymakers UNODC, among others).

Planning 2021

4. Refresher and Credentialing (online)

- Bahamas, Colombia, Perú, Argentina, Guadalajara – México, Chile y Uruguay.
