## Communal Anti-drug Plan "Microtráfico Cero (MT-0)"

The Communal Anti-drug Plan "Zero Microtrafficking (MT-0)" is a PDI product, in response to a territorial phenomenon that generates violence and insecurity.

Main goal:

***"Disincentivize and reduce microtrafficking at the local level throughout the country, contributing to the reduction of the feeling of insecurity in the neighborhood."***

***PDI as referents  
in drug  
trafficking  
research***

**What about the sale of drugs  
at the neighborhood level?**

**"paradigm shift, not only large  
organizations matter anymore, it  
must be approached as a cross-  
cutting problem to prevent  
incipient micro-traffickers from  
capitalizing and becoming criminal  
organizations "**
