

**PCC.II/DEC. 136 (XIX-12) <sup>1</sup>**

**SURVEY ON IDENTIFYING NEEDS OF MEMBER STATES REGARDING NON-IONIZING RADIATION (NIR)**

The XIX Meeting of Permanent Consultative Committee II: Radiocommunications including Broadcasting (PCC.II),

**DECIDES:**

1. To request the Secretariat of CITEL to distribute to the member state administrations the survey annexed hereto in order to assess aspects related to needs, regulatory measures, projects, policies, and plans implemented in connection with non-ionizing radiation and to take it as a basis for formulating regional strategies.
2. To instruct the Rapporteurship on the Technical and Regulatory Aspects Related to the Effects of Electromagnetic Non-Ionizing Emissions to provide to the Secretariat of CITEL the support needed to implement *decides* 1.

**ANNEX TO DECISION PCC.II/DEC. 136 (XIX-12)**

**REGIONAL SURVEY**

**TECHNICAL AND REGULATORY ASPECTS RELATED TO THE EFFECTS OF ELECTROMAGNETIC NON-IONIZING EMISSIONS**

**INFORMATION ON PARTY SURVEYED:**

Name of organization:	
Country:	
Party responsible for survey:	
E-mail address:	
Contact telephone:	

1. On the scale of 1 to 5 below, please indicate with an X the level of sensitivity of your country's population to the health effects of non-ionizing radiation. Also please provide a brief description.

1. VERY LOW	
2. LOW	
3. MEDIUM	
4. HIGH	
5. VERY HIGH	

---

<sup>1</sup> CCP.II-RADIO/doc. 2994/12

Description	
-------------	--

2. In your country, have perceptions regarding the effects of non-ionizing radiation hindered the deployment of telecommunication infrastructure and normal delivery of telecommunication services? Please mark X below and provide a brief description.

YES	
NO	

Description	
-------------	--

3. Are local regulations on non-ionizing radiation and the environment harmonized throughout your national territory? Please mark X below and provide a brief description.

YES	
NO	

Description	
-------------	--

4. Does your country have policies on electromagnetic non-ionizing emissions? If so, briefly describe the reasons for their adoption.

YES	
NO	

Description	
-------------	--

5. Does your country have in place rules on electromagnetic non-ionizing emissions? If so, please indicate the number of each measure, its title or caption, and links, if any, where these measures can be accessed.

YES	
-----	--

NO	
----	--

No. of rule	
Title or caption	

No. of rule	
Title or caption	

No. of rule	
Title or caption	

6. In your country, have events been held, such as forums, seminars, and workshops, on aspects related to the effects of electromagnetic non-ionizing emissions? (Mark X). If so, and if available, provide links where the reports or results of these events can be accessed.

YES	
NO	

Type of event	
Brief description of agenda	

7. Has your Administration conducted technical or scientific studies on the effects of electromagnetic non-ionizing emissions? (Please mark X and briefly describe).

YES	
NO	

Description	
-------------	--

8. Does your Administration technical control of electromagnetic field levels? If so, please briefly describe the methods and systems used. (Please mark X and briefly describe).

YES	
NO	

Description	
-------------	--

9. Has your Administration formulated plans and projects to mitigate the impact of electromagnetic non-ionizing emissions? (Please mark X and briefly describe).

YES	
NO	

Description	
-------------	--

10. Does your country have statistics or indicators of electromagnetic non-ionizing emissions? If so, please provide these statistics or attach the document hereto.

YES	
NO	

Description	
-------------	--

11. What specific actions do you consider should be executed or promoted through CITELE and the member states to address topics related to electromagnetic non-ionizing emissions? Please mark X. More than one topic may be selected.

<input type="checkbox"/>	Seminars, forums, and debates on NIR.
<input type="checkbox"/>	Identify projects at the global level on NIR.
<input type="checkbox"/>	Make recommendations to the member administrations of CITELE.
<input type="checkbox"/>	Promote the creation of NIR research and development funds.
<input type="checkbox"/>	Generate strategic NIR regional action plans for implementation.
<input type="checkbox"/>	Conduct dissemination and public information campaigns in the member states on NIR.
<input type="checkbox"/>	Other. Please describe.
