

**REQUEST TO THE INTERNATIONAL TELECOMMUNICATION UNION FOR INCLUSION  
OF CITEL ON THE LIST OF COLLABORATORS OF THE CHILD ONLINE PROTECTION  
INITIATIVE**

The XX Meeting of the Permanent Consultative Committee I: Telecommunications/Information and Communication Technologies (PCC.I),

**DECIDES:**

1. To instruct the Executive Secretary of CITELE, in response to the *Call for Action* issued by the International Telecommunication Union (ITU) Secretary General during the celebration of the World Telecommunication and Information Society Day, in 2009, to send a note signed jointly with the Chair of PCC.I requesting inclusion of CITELE in the list of collaborators for Child Helpline Protection
2. To attach to the note the initiative of CITELE related to the establishment of the Regional Online Child Help Website, considered as a practical tool for identifying risks to and vulnerabilities of children in cyberspace, raising awareness, developing practical tools to minimize risk, and sharing knowledge and experiences.
3. To further instruct the Executive Secretary of CITELE to send the liaison statement to the Chairman of the ITU Working Group Council concerning Child Helpline Protection, Mr. Sherif Hashem (Egypt), informing on the initiative of CITELE and requesting inclusion of CITELE in the list of collaborators for Child Helpline Protection, using the format opportunely approved.
4. To further instruct the Executive Secretary of CITELE to send the liaison statement, in the format which has been timely approved reporting of the CITELE initiative, to the following institutions: Child Helpline International, the Inter-American Children's Institute (IIN), a specialized body of the Organization of American States and ITU Joint Coordination Activity on Child Online Protection.
