

**COM/CITEL RES. 238 (XXV-11) <sup>1</sup>**

**SUBMISSION OF WCIT IAPS TO ITU COUNCIL WORKING GROUP ON WCIT-12**

The XXV Meeting of the Permanent Executive Committee of CITEL, COM/CITEL,

**RECOGNIZING:**

- a) Resolution COM/CITEL RES. 226 (XXI-09) “Guidelines for the adoption of Inter-American Proposals”;
- b) Resolution PCC.I/RES. 190 (XIX-11) “Submission of Inter-American Proposals to the World Telecommunication Standardization Assembly (WTSA) and the World Conference on International Telecommunications (WCIT)”;

**CONSIDERING:**

- a) That CITEL Inter-American Proposals (IAPs) for all ITU conferences are increasingly important – in many cases as important as national positions;
- b) That CITEL IAPs have played a crucial role in ITU assemblies, especially at WTSA-08;
- c) That the draft treaty on International Telecommunication Regulations (ITRs) will be prepared by the Council Working Group on WCIT-12 (CWG/WCIT) well in advance of the WCIT itself;
- d) That CITEL must make its positions known at the various CWG/WCIT preparatory meetings if it is to have a significant effect on the input to the Conference;
- e) That a first draft of the ITRs is to be agreed at the February 2012 meeting of the CWG/WCIT;
- f) That several WCIT IAPs have been already developed by PCC.I’s Rapporteurship on the preparations for WTSA and WCIT,

**RESOLVES:**

1. To make known to the February 2012 meeting of the CWG/WCIT the WCIT IAPs already adopted by CITEL Member States;
2. To instruct the Executive Secretary of CITEL to convey such information to the CWG/WCIT as an input contribution of CITEL Member States to the Working Group.
