

COM/CITEL RES. 49 (V-97)

**ACTION PLAN FOR THE UTILIZATION OF A
DATABASE ON THE ALLOCATION OF THE SPECTRUM**

The Fifth Meeting of the Permanent Executive Committee of CITEL (COM/CITEL),

CONSIDERING:

- a) That the Miami Presidential Summit emphasized the need to promote the compatible utilization of the spectrum;
- b) That the Third Meeting of the Permanent Consultative Committee III decided to create a database on the utilization of the spectrum;
- c) That Resolution PCC.III/RES.51 (VI-97) established the scope of the database on the allocation of the spectrum in the Americas in 137 MHz-3700 MHz;
- d) That Resolution PCC.III/RES.51 (VII-97) provided for objectives/deadlines for delivering information;
- e) That in accordance to PCC.III/DEC. 5 (IV-96) the Executive Secretariat of CITEL established a cooperation plan with the ITU Regional Office, which has received databases and has started preparing them for their future utilization;
- f) That the Executive Secretariat and the ITU Regional Office have points of contact in those countries that have delivered information for further updating;
- g) That Resolution COM/CITEL RES.57 (V-97) has highlighted the need for many countries of the Americas Region to receive assistance in the area of spectrum management;

HAVING SEEN:

- a) The need for:
 - having a procedure available for updating information;
 - defining the information format, type of access (for example, which are the privileges of users, whether a password is needed, required level of security, etc.), and
 - defining who will have access to the information.

RESOLVES:

To request the Permanent Consultative Committee III to define the criteria for the access to the information on spectrum allocation in the region.

INSTRUCTS THE EXECUTIVE SECRETARIAT TO:

- 1) Establish the corresponding contact with the ITU Regional Office in order to develop a joint action plan providing for the detected needs.
- 2) Present a report and the action plan of reference to the next meeting of the Permanent Consultative Committee III.
- 3) Send a memorandum to those countries that have not yet provided their information for the database and/or the corresponding points of contact.
