

**COM/CITEL RES. 58 (V-97)**

**REGIONAL PREPARATIONS FOR WORLD RADIOCOMMUNICATION  
CONFERENCES**

The Fifth Meeting of the Permanent Executive Committee of CITEL (COM/CITEL),

**CONSIDERING:**

That the ITU World Radiocommunication Conference (Geneva, 1997) adopted Resolution PLEN-2 on the subject of regional preparations for world radiocommunication conferences;

That there is a need for overall coordination of inter-regional consultations in the interest of exchanging views and reaching common understandings on the issues to be addressed by any particular conference;

That the Director of the Telecommunication Development Bureau of the ITU, pursuant to Resolution PLEN-2, has been instructed to consult the regional telecommunication organizations on the means by which assistance can be given to their preparations for future world radiocommunication conferences;

That in the Americas Region the assistance and cooperation of the ITU Regional Office has been of great benefit to CITEL and the countries of the Region;

**RESOLVES:**

To request the Chairmen of PCC.II and PCC.III in particular to consider the substance of Resolution PLEN-2 and provide advice on a strategy and course of action for its implementation;

**INSTRUCTS THE EXECUTIVE SECRETARY:**

To circulate Resolution PLEN-2 to the Member States and Associate Members for comments, and make contacts with the Head of the ITU Regional Office in order to consider a working mechanism for the implementation of this Resolution.
