

COM/CITEL RES. 167 (XIII-03) ¹

**MOTOROLA USA FEE EXEMPTION REQUEST FOR THE YEARS 2000-2003, FOR ITS
SUBSIDIARIES AND FORMER ASSOCIATE MEMBERS: MOTOROLA ARGENTINA,
MOTOROLA COSTA RICA, AND MOTOROLA ECUADOR**

The XIII Meeting of the Permanent Executive Committee of CITEL, COM/CITEL,

CONSIDERING:

- a) That Motorola Argentina, Motorola Costa Rica, and Motorola Ecuador, which are subsidiaries of Motorola United States (hereinafter, "the three subsidiaries"), submitted their resignation as associate members of CITEL in 2003, after not having paid the fees set forth under article 87 of CITEL Regulations for the years 2000-2003;
- b) That Motorola United States, also an associate member, has requested from CITEL an exemption for the fees owed by the three subsidiaries; and
- c) That COM/CITEL, on other occasions, has chosen not to treat the unpaid fees as legal obligations collectible through civil litigation but rather as *bona fide* obligations,

RESOLVES:

To instruct the Executive Secretary to respond in writing to Motorola United States' request, emphasizing the following points:

- a) That COM/CITEL values Motorola's participation and that of its subsidiaries in CITEL's activities, and that it regrets the resignation of the three subsidiaries mentioned above;
- b) COM/CITEL considers the debt as a *bona fide* obligation, and when circumstances allow, COM/CITEL hopes that the subsidiaries will voluntarily offer to recognize that obligation and request a renewal of their membership with CITEL as active associate members.
