

**PCC.I/DEC. 206 (XXV-14) <sup>1</sup>**

**CREATION OF PAGES IN THE COLLABORATIVE SPACE FOR ONGOING UPDATE OF INFORMATION ON THE RAPPORTEURSHIPS OF PCC.I**

The XXV Meeting of Permanent Consultative Committee I: Telecommunications/Information and Communication Technologies (PCC.I),

**DECIDES:**

1. To instruct the Secretariat of CITEI to create the links and respective pages in the Collaborative Space for ongoing update of information on advances of the activities included in the work plans of the different Rapporteurships of PCC.I. That information should be available for consultation solely and exclusively by the Member States and must not be publicly accessible.
2. To task the Secretariat of CITEI with the update of the information indicated in paragraph 1 above, in coordination with the respective Rapporteurships.
