

COM/CITEL DEC. 117 (XLI-23)¹⁵

**INVITATION TO STUDY THE TOPIC OF ARTIFICIAL INTELLIGENCE IN THE WORK OF
PCC.I**

The 41 Meeting of the Permanent Executive Committee of CITEL (COM/CITEL),

DECIDES:

1. To invite PCC.I to consider study, evaluate, and propose inputs, policies, plans, and measures that contribute to the development of best practices and strategies for the adoption of Artificial Intelligence (AI) based technologies in telecommunications and ICTs within the region.
2. To invite the Member States and Associate Members to contribute to PCC.I with inputs on Artificial Intelligence (AI).
3. To instruct the CITEL Secretariat to forward this Decision to the PCC.I.
