

PCC.I/RES. 339 (XLIV-24)¹

**WORKSHOP ON INFRASTRUCTURE SHARING TO ADVANCE MEANINGFUL
CONNECTIVITY**

The 44 Meeting of the Permanent Consultative Committee I: Telecommunications/Information and Communication Technologies (PCC. I),

CONSIDERING:

- a) the importance of infrastructure sharing as a potential tool for expanding meaningful connectivity and bridging the digital divide;
- b) the importance of understanding the status of infrastructure sharing in the Americas region, as well as information on international best practices;

ACKNOWLEDGING:

- a) that the exchange of information and best practices between member states and associate members can contribute to the development and planning of more efficient telecommunications infrastructures;
- b) that the holding of face-to-face workshops within the framework of CITEL meetings has proven to be useful for all member states and associate members,

RESOLVES:

- 1. To approve the holding of a one-hour workshop within the framework of the sessions of the Working Group on the Development of Technologies and Services during the 45th Meeting of PCC.I to be held from August 19 to 23, 2024 in João Pessoa, Brazil.
- 2. To carry out this workshop at no cost to CITEL.
- 3. To designate the associate member, SBA Communications, as coordinator of this event with the support of the CITEL Secretariat.
- 4. To approve the agenda indicated in the Annex to this resolution, as the central focus of the workshop.

ANNEX TO RESOLUTION PCC.I/RES. 339 (XLIV-24)

**WORKSHOP ON INFRASTRUCTURE SHARING TO ADVANCE MEANINGFUL
CONNECTIVITY**

- 1. Current Status of Infrastructure Sharing in the Americas.
- 2. International best practices.
- 3. Infrastructure sharing use cases.
