

PCC.II/RES.25 (VI-05)¹

PROPOSED TIMELINE FOR CITEL WRC-07 PREPARATION

The VI Meeting of the Permanent Consultative Committee II: Radiocommunications including Broadcasting,

RECOGNIZING:

The need to establish guidance for the work of the Working Group for the Preparation of CITEL for Regional and World Radiocommunication Conferences (WG-WRC),

CONSIDERING:

- a) That early submission of inter-american proposals (IAPs) to the World Radiocommunication Conference of 2003 (WRC-03) kept CITEL at the forefront of discussion on any given Agenda Item;
- b) That the number of IAPs submitted to the Conference placed CITEL in a very strong position;
- c) That there were several times during the conference when issues were regionalized;
- d) That prior preparation strengthened CITEL's effectiveness;
- e) That when attending conference preparatory meetings of other regions, CITEL views are always requested;
- f) That in view of the above, the early submission of IAPs to the ITU should be a priority for CITEL, and
- g) That there may be a need to submit new draft IAPs as a result of the ITU Conference Preparatory Meeting (CPM) meeting,

RESOLVES:

- 1. To establish a timeline for CITEL's participation in WRC-07 in accordance with Annex to this Resolution;
- 2. That this timeline is subject to change depending on budgetary restrictions of CITEL and host countries;
- 3. That it is possible for the Working Group for the Preparation of CITEL for Regional and World Radiocommunication Conferences to meet exclusive of a PCC.II meeting;
- 4. to ensure that, whenever possible, there is no conflict with conference preparatory meetings of other regional organizations;
