

PCC.III/RES.40 (V-96)

**Retaining in Appendices 30 [S30] and 30A [S30A] the
Procedures Governing the
Planned Broadcasting-Satellite Service in Region 2**

The Fifth Meeting of the Permanent Consultative Committee III: Radiocommunications,

CONSIDERING:

- a) that Agenda Item 1.10 of the World Radiocommunication Conference (Geneva, 1997) is concerned with the review of Appendices 30 [S30] and 30A [S30A] for Regions 1 and 3 in response to Resolution 524;
- b) that *resolves* 2 of Resolution 524 states that "...the future conference shall ensure that the integrity of the Region 2 Plans and their associated provisions is preserved...."
- c) that discussions and preliminary proposals arising from deliberations in Region 1 of the revision of the Regions 1 and 3 Plans have indicated the desire to move procedural aspects of Appendices 30 [S30] and 30A [S30A] into the newly revised and simplified procedures of the Radio Regulations on a so-called transparent manner;
- d) that the modification procedure of Article 4 of Appendices 30 [S30] and 30A [S30A] would consequently be removed from the Plans and merged with the general procedures for unplanned services;
- e) that such a decision by Regions 1 and 3 may necessitate a similar modification to the Region 2 Plan due to the possible general applicability to all Regions of provisions in Articles S9 and S11;
- f) that there is no evidence of any significant benefit resulting from the transfer of these procedures;
- g) that the value of expending WRC-97 resources on this matter is not evident;
- h) that, despite the best of intentions to ensure transparency, the proposed transfer of procedures to Article S9 is likely to have unforeseen or unintended consequences, or both;

RESOLVES:

1. That no need exists for WRC-97 to change the location of the BSS Plan procedures of Appendices 30 [S30] and 30A [S30A];

2. That the changes of the procedures for the Regions 1 and 3 Plans must not affect the Region 2 Plan; and

3. To encourage Region 2 Members to participate actively in the work of ITU-R Working Party 10-11S, the Special Committee on Regulatory/Procedural matters (particularly Rapporteur Group 3) and CPM-97 in this regard.

INSTRUCTS:

The Executive Secretary of CITEL to bring this Resolution to the attention of ITU-R JIWP 10-11S and the Special Committee on Regulatory/Procedural matters.
