

**PCC.III/RES.74 (XI-98)<sup>1</sup>**

**CHANGE OF NAME AND TERMS OF REFERENCE  
OF THE WORKING GROUP ON TERRESTRIAL MOBILE SERVICES**

The Eleventh Meeting of the Permanent Consultative Committee III: Radiocommunications,

**CONSIDERING:**

- a) There is a need to keep the terms of reference of the working groups up-to-date to better define the activities that must be addressed to increase the effectiveness of PCC's;
- b) That optimizing the results of the Terrestrial Mobile Services Working Group will contribute to reducing the need for financial resources to support its activities;
- c) That the name and the terms of reference of the Terrestrial Mobile Services Group contained in document PCC.III/doc.1114/98 are not compatible with the current activities that have been performed by this group;
- d) That the activities of the working group on Terrestrial Mobile Service have evolved to address the high-priority areas in the Americas;

**RESOLVES:**

To change the name and the terms of reference of the Terrestrial Mobile Services Working Group as follows:

Working Group: Terrestrial Wireless Access

***Terms of reference***

Develop recommendations and resolutions for the harmonization of spectrum usage; Prepare guidelines for the implementation of systems and services; Provide information on different technologies and services, regarding the areas of:

- (a) Land Mobile Radio;
- (b) Personal Communications Services (PCS);
- (c) International Mobile Telecommunications 2000 (IMT-2000);
- (d) Fixed Wireless Access (FWA), below 20 GHz;
- (e) Low-Power Radio Devices.

**Chairman:** Mr. Alexander Castro (Brazil)

**Vice-Chairman:** Mr. Gustavo Miranda (Costa Rica)

**Vice-Chairman:** (Argentina)
