SEPTEMBER 2021

NO. 21

🌟 Project Teams: Congratulations! 🌟

Dear Project Teams:

Congratulations! You did it! The 2021 Project Team cycle has come to an end, and we are thrilled with all of the fruits of your collaborative efforts.

REMINDER: Submit your [Health of the Network Survey](#) by **September 15**, and confirm that you completed it by sending a note to rvieyra@oas.org. **You will then receive your letter of completion.**

If you are a recipient of a **Seed Grant** or a **Teacher Leadership Fund**, we look forward to your continuing monthly reports. Please share anything you produce, as well as any multimedia that illustrates your work so we can showcase the great things you do.

The work doesn't need to stop here. We hope to announce in the next few weeks any opportunities to continue with ITEN beyond this cycle. Regardless of if you are able to continue to collaborate with us, we are grateful for your continued commitment to STEM teacher education!

Read below for continuing opportunities offered by ITEN partners, and please stay in touch.
